**DANISH CROWN, ARLA AND LANTMÄNNEN**

Read about cross-border ProMark synergies.

Arla and Danish Crown started by implementing ProMark in Denmark. Since then, they have taken advantage of the synergy effect.

**MAN DIESEL'S PROMARK SOLUTION**

When you manufacture engines as large as two-storey houses, precision at every stage is crucial to supplying reliable engines within the agreed budget and to the agreed deadline. [Read more about it here.](#)
