Have a great summer!

Summer is just around the corner and most of us can look forward to a well-deserved break from our busy work life.

And do not worry about ProMark assistance over the summer, in case you should need it!

Our Customer Care team is on site all summer, ready to answer your enquiries during normal opening hours – no matter if you contact us via our new customer portal or send us an email on hotline.uk@mark-info.com.

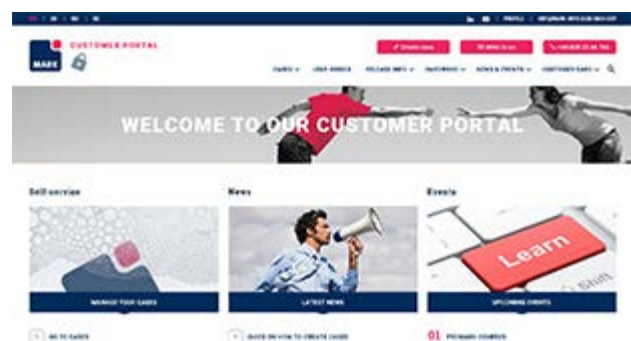

Enjoy your holiday!

CONTACT CUSTOMER CARE...

Our new customer portal has been launched

We have just launched our new customer portal which offers more self-service related to pending and closed cases.

In addition, the new portal contains – just as now – information about new ProMark versions, user

documentation, tips & tricks as well as our hardware catalogue. Everything with a new look & feel!

We look forward to welcoming you to the new portal.

Promising Food and Beverages Technology Solution Provider

Mark Information has been included on the list of 20 Most Promising Food and Beverages Technology Solution Providers 2016, an annual listing of companies that are at the forefront of providing technology solutions to the food and beverage industry and impacting the marketplace, compiled by CIOReview.

Our CEO, Torkel Olrik says:

"We are obviously happy and proud of being on the list, which is a recognition of our efforts over many years developing forward-thinking technological solutions in Workforce Management" ...
