LEAN TIME & ATTENDANCE PROCESS REDUCES COSTS AND FREES UP TIME

THE CHALLENGE

- For meget tid brugt på registrering af arbejdstid
- Manglende overblik over medarbejdernes fremmøde, sygefravær og ferie
- Ingen mulighed for at se planlagte timer i forhold til det faktiske antal arbejdstimer
- Behov for at sikre mod uautoriseret adgang til fabrikkerne

PROJECT SCOPE AND SUCCESS CRITERIA

- Time & Attendance solution covering up to 300 employees, both hourly-paid and salaried workers
- Employee working time collected at the source and easily registered by portal or terminals
- Automatic transfer of data into the payroll system via standard integration

KEY MODULES

- Time & Attendance and absence registration (ProTime)
- Registration via portal and terminals (ProPortal and ProTerminal)
- Web portal for management overview, approvals and absence-KPI (ProPortal)
- Access control (ProAccess)
- Integration to Sage SnowDropKCS Payroll and HR (ProHost)
- Reporting (ProReport)

OUTCOMES

- Smooth collection of employee working time via modern user interfaces
- Correct wages in time and in compliance with legal working time rules
- Better overview of employee working hours and absence
- Simplified administration of access to the company facilities

PRIMARY RESULTS

- Lean Time & Attendance and payroll processes freeing up time for more value-generating activities in HR and production
- Reduced administrative costs
- Full overview of employee absence and availability
