

You will still receive information from Mark Information

In order to comply with EU's new general data protection regulation (GDPR), we have updated **our privacy policy**. Here you can read more about what information we collect, how we treat it and what rights you have in connection with the collection.

You receive our newsletter, **MI Insights**, because you have actively signed up for it. If you wish to continue hearing from us, you should do NOTHING. If you wish to change your consent, you can do so by clicking the link below or at the bottom of every newsletter.

We hope you still want to hear from us.

The newsletter contains, among other things, customer cases and articles such as:

- **Technical debt hampers efficiency**
- **Data-driven planning increases transparency and delivery capability at Coop**
- **How to carry out a good site study and prepare a usable business case**

ProMark webinars

What can ProMark do for your company?

Do you want to increase efficiency and avoid heavy technical debt (read: use of outdated IT systems)?

Join our webinar and learn more about the benefits you can achieve with ProMark Workforce Management.

You will also get tips for building the business case for the investment – whether it is about purchasing a new system or replacing an existing one.

Get answers to your questions during our 30-minute webinar without obligation. If you have additional questions or thoughts, we will, of course, be happy to discuss them with you.
